

TRAINING COURSE Erasmus+

HOW TO CREATE YOUTH EXCHANGES

Performance Arts & Sustainability

8th to 16 th June 2021

We are looking for 30 youth workers and young people from Europe interested in a training to learn how to write and create their own Youth Exchange in Erasmus Plus.

WHERE? www.association-regain.info

The organisation **Regain** is located in **La Borie Noble** , a small Community in the Languedoc region in the South of France. They favour manual work, creative expression, a spirit of service, a sense of consciousness and respect for life in all of its forms. They are also specialized in performative arts such as theatre, singing, dancing and music. They use bio-agriculture to provide solutions to the ecological crisis and non-violent communication to resolve conflicts.

PROGRAM / TRAINING

This is a training and networking event for youth workers (or future youth workers) who would like to learn how to create Youth Exchanges on sustainability and performative arts. The main focus will be on how to implement the program in ecovillages and rural projects using theatre, dance, music to promote sustainability.

WHO CAN APPLY ?

People of all ages who aim to become (or already are) youth workers, and who have already participated in a Youth Exchange in an ecovillage or rural project, motivated to create new Youth Exchanges , applying in October 2021.

FULLY FUNDED by the the Erasmus + Program of European Commission .

Participants will get a **Youthpass certification**.
